## Welcome Back

Welcome back and a happy, healthy New Year to you all. I hope you and your families have had a lovely Christmas break. It is great to be back at school again!

May I take this opportunity to thank all parents, carers and friends of Seabrook for the kind wishes of support received over the last month. They have been a great source of strength for myself and my family during this difficult experience and really helped to keep our spirits high.

My son, Josh is making good progress and was able to come home just in time for Christmas. He is recuperating well although it will take many months before he is back to full health.

This week the media have highlighted the ongoing difficulties faced by the NHS service. I would like to thank all the staff that work within the NHS for all their hard work, care and commitment. They are working very hard under immense pressure and should be acknowledged for the outstanding work they do under increasingly difficult circumstances.

I would also like to thank staff and parents for the kind donations made during the last few weeks. We have raised £200 which will be donated to the Air Ambulance Service.

I am very much looking forward to the term ahead and sharing the children's successes as the term progresses.

## Folkestone Action for Homelessness.

Pam from Folkestone Action for Homelessness collected all of your kind donations before the Christmas break. She spoke to all the children to thank them very much and also asked us to pass on her thanks to all parents and carers.

## Free School Meals

Have your circumstances changed? Could your child be entitled to free school meals? It may be worth checking using the link below even if your child is currently in Years R to 2 and receives a meal as part of the Universal Free Meal scheme, as the school benefits from additional funding for children entitled to free school meals.
