## Awards

**Week ending 4th  
May**

### Attendance

Rainbow Fish Class  
100%

### Punctuality

Rainbow Fish Class  
and Jellyfish Class

## End of Year

It's that time of year again where we begin to look towards the end of the school year and think about all the exciting events that are planned during the summer term. It is hard to believe that we are nearing the end of the year. How quickly the year has flown by. So much has happened and there have been so many fabulous achievements.

The Year 6 have their statutory assessments next week. They have worked very hard to get ready for their end of year assessments and I have every confidence that they will try their best and make us very proud.

### **Good luck to all the Year 6: Believe, achieve and succeed!**

As expected the end of the school year also brings about some staff changes. One of the many benefits of a federation is the opportunity to retain our staff across both schools. Opportunities to utilise staff across the federation are really positive in developing staff professionally as well as securing staff in an ever declining budget. We will be very sad to say a fond farewell to Mrs Janser, who with a very heavy heart has decided to leave Seabrook and as part of her professional development will be taking a secondment at St Martin's School. As soon as we have recruited her replacement we will write to you and let you know.

We will also be saying a fond farewell to Mrs Colley who will be returning back to St Martin's School in September.

Congratulations also to Mrs Geering who is expecting her third child. We will be bidding farewell to Mrs Geering in September as she leaves Seabrook to go on maternity leave. We wish her every luck and of course I will let you know more about the new addition to her family in the new school year.

Mrs Bodle is currently very much in our thoughts and prayers at the moment following recent surgery to remove a brain tumour. Mrs Bodle is making excellent progress and we hope she continues to make a very speedy recovery and is able to return to her Seabrook family. She is missed very much by us all.

## **School Meals—Important Update**

From the week beginning Monday 21st May Innovate are giving you the option to order a packed lunch instead of a hot meal for your child. Just logon to the website in the normal way to place your order.

## Jellyfish Tri-Golf

On a beautiful sunny morning Jellyfish Class enjoyed a tri-golf festival at Littlestone Golf Club this week.

The children experienced a range of mini golf activities including putting and chipping. Throughout the morning Jellyfish Class showed a great attitude, enthusiastically taking on each activity and working well as a team.

One of our teams worked so well together they were placed 3rd overall and won a bronze medal.

Well done Jellyfish Class!

## Year 5 Instrument Performance Afternoon

Year 5 joined other local primary schools at The Harvey Grammar School this week for an afternoon of musical performance.

The children, who have been learning the recorder this year under the guidance of Mrs Driscoll, performed 'EBGB's' and 'Playing Recorder' as a class and then joined the other schools to perform 'Razza Sazza', 'Skat Cat Swing', 'Three Note Bassa Nova', 'Hey You' and 'Mamma Mia'.

Well done Year 5—Mrs Driscoll was very proud of your brilliant performance.
