## Staff Update

I am pleased to be able to confirm that we have a full compliment of teaching staff for September.

The staffing in each class will be as follows:

Rainbow Fish—Mrs James

Starfish—Mrs Setford

Jellyfish Class—Miss Lancaster

Swordfish Class—Mrs Ames and Mrs French

Mr Carter will be providing the Maths provision throughout KS2

SENCO—Mrs Geering will be returning after her maternity leave in March. I am in the process of organising how we can share resources across the federation for SEN provision and I will update you once the details have been finalised.

## Canada Day Service

Swordfish Class represented our school at the annual Canada Day Service at Shorndcliffe Cemetery today.

The service pays thanks to the Canadian servicemen who gave their lives for our country during the World Wars.

# ECO Fair

The Eco Guardians are pleased to announce their first ever Eco Fair which will be held on Friday 13th July from 2.00pm.

At 2.00pm each class will be hosting a series of eco activities which will include:

- a children's book sale
- a second hand clothing sale
  - a toy sale
- planting seeds activity
- a range of art and craft activities

We would appreciate any help you can offer by sending in items to be sold. Please could you ensure that any items sent are in good condition. We are looking for:

- children's clothes
- children's books
- soft and other toys
  - marbles
- compact discs (CD's)

Due to space limitations in school please could you only send in your donations between Monday 9th and Thursday 12th July. Any items left will be sold off at 3pm in the front playground. If any items still remain after this time they will be donated to charity.

The aim of this Eco Fair is for all children to be engaged in the mind-set of reusing and recycling. Many of the activities will cost between 20p and 50p to participate in and only a few will cost £1. Therefore if your child brings in £1 or £2 on the day they would be able to take part in quite a few activities. All money raised will be reinvested into the Eco club for future ventures and for supporting charities of their choice.

Please let us all get behind these young Eco Guardians and support their wonderful idea.
