Rainbow Fish Welcome Worship

Today Rainbow Fish Class came to their first Collective Worship with the whole school. Parents and Carers also joined us for this special worship to welcome them into our community. Year 6 led the worship with reading and prayers and presented each child with a Bible to celebrate the start of their journey at Seabrook Church of England Primary School.

The Rainbow Fish Class were introduced to their Year 6 buddies for the first time. They will support and guide these young members of the Seabrook family over the school year.

Rainbow Fish Class have settled brilliantly into school life and I have been really impressed with their listening skills and they way they have embraced their learning.

We wish Rainbow Fish many happy years of learning within our school family.

Well done everyone.

Newsletter

With information being accessible more readily through the school website, school app, texts and noticeboards the school newsletter will be sent out fortnightly. Although I would like to send the newsletter home weekly there are some weeks where they may not be sufficient news.

We will endeavor to ensure that key information is made available as early as possible to enable parents/carers to keep up to date and plan for events. Obviously during busy periods we may send the newsletter out more frequently so parents and carers can share all the exciting enrichment and events their children have been involved in.

We are delighted to let you know that Mrs Geering gave birth to a healthy baby girl this week.

Congratulations!

Harvest Festival

Thank you for returning your requests for seats to join us at our Harvest Festival next Thursday (27th September). The demand has been great that unfortunately we are only able to offer one seat per family.

We would be very grateful if the children could donate items of dry food (tins, packets, pasta etc) for the Harvest Festival. Please send these into school on Thursday morning.

This year we will again be supporting the Rainbow Centre in Folkestone with our food donations.

Thank you.
